

Black History Month: The African American Cancer Experience

Free Program For People Affected By Cancer

Monday, February 27th, 2012
6-8 pm - Registration required

An expert panel of African American oncology health professionals, survivors, and caregivers will discuss the unique experience of battling cancer as an African American and offer time for Q & A.

Featured Speakers from University of Michigan Comprehensive Cancer Ctr.:
Lori Pierce, M.D.
Alethia Battles, LMSW

Date: February 27th, 2012
Time: 6-8 p.m.
